## **Swedish Maritime Administration's opinion on Estonia's maritime spatial planning process**

The Swedish Maritime Administration has no comments to Estonia's maritime spatial planning process at this stage.

Above mentioned has been decided by the Director-General of the Swedish Maritime Administration, Katarina Norén in participation with acting manager for the department Planning and Controlling, Sven Carlsson, acting manager of the Infrastructure unit, Johan Eriksson and nautical advisor Olle Lewis, the latter as reporting officer.
