### **Notification of potentially affected parties according to article 3 in the Espoo Convention regarding the Hejre Development Project in the Danish North Sea**

Denmark hereby notifies Norway, Sweden, Germany, the Netherlands and the United Kingdom as potential affected party about the consultation in regards to the scope of the environmental impact assessment of transboundary impacts on the environment due to the Hejre Development Project. The notification takes place according to article 3 in the Espoo Convention as it has been identified, that the environment may be affected by transboundary impacts.

Please find a description of the project and the EIA-process in the attached document.

### **Consultation according to article 3 in the Espoo Convention**

Denmark kindly requests a response no later than thursday the **7th of July 2020** to the following:

- Please acknowledge receipt of this notification.
- Please indicate whether you intend to participate in the environmental impact assessment procedure.
- Comments to the topics included in the scoping of the environmental impact assessment regarding potential transboundary impacts and if relevant other topics that should be included in the environmental impact assessment.

If you have comments to the planned project and the content of the environmental impact assessment regarding transboundary impacts, please send these to the Danish Environmental Protection Agency at [espoo@mst.dk](mailto:espoo@mst.dk) marked journal nr: **2020-19605**

Yours faithfully
