

# Revive Retail

On a mission to take retailers and brands  
into the second-hand market

“The second-hand market is growing five times faster than traditional selling and is expected to double by 2026”

**Thread-up resale report 2023**

From selling one product one time, **to sell the same product over, over and over again.**

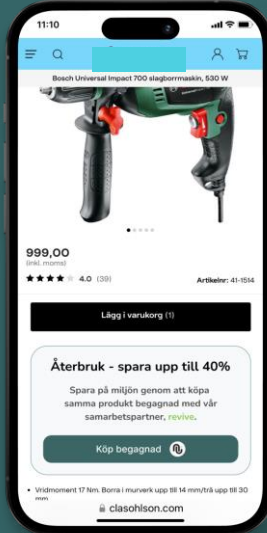

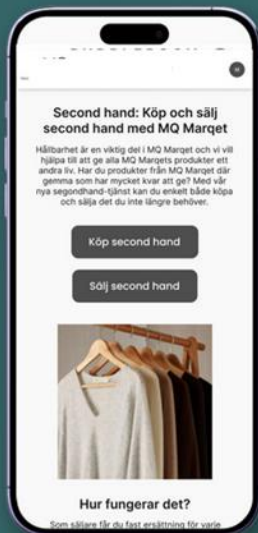

“Feels like a no-brainer”

“Sounds amazing, would solve a lot”

“I believe you are onto something really good”

# En integrerad second-hand-plattform för e-handlare
